

ADMISSIONS FREQUENTLY ASKED QUESTIONS

How long is your waitlist, and will our family have to wait until a spot becomes available?

Effective April 1, 2024, our program no longer maintains a wait list. Please visit our website to add your family to the email distribution list. When placements become available, they will be offered to families that joined the waiting list before March 31st, 2024. After this time, they will be offered on a first-come, first-served basis. Please ensure that our email address is on your safe senders list. Wait times vary and are impossible to predict.

What are the next steps when we have been offered placement? How do we move forward and register our child?

Families will be contacted once a space becomes available. An admissions interview by telephone or an in-person visit will be scheduled. In order to secure placement, we require a non-refundable deposit of \$650.00 (the wait-list fee will be put toward the security deposit) payable by electronic transfer. These funds will be refunded towards tuition when 7 months' full-time attendance has lapsed (6-month minimum new family policy plus one full month's notice of departure). After completion of either an admissions interview or tour, we require the security deposit to be paid within 24 hours.

Children are required to bring their lunch each day. Since its inception in 1967, our program has had a no-sugar policy; we ask that whole foods rather than processed food items be included in your child's lunch. The program provides a substantial morning snack; families provide fruit and/or vegetables for afternoon snacks.

What are your fees?

The monthly fees are \$1430.00 per month, our program has opted into the Parent Fee Reduction Initiative which reduces fees considerably. We are fully licensed and can assist families interested in applying for the ACCB.

Are there any additional expenses?

Each year, our parent body chooses whether to add extracurricular programs at an additional fee. For the 2024/25 school year, families have opted to offer Parkour (Little Monkey's Movement) Yoga (YogaBuggy), Music and Movement (DramaBugs), Soccer/Football (HappyFeet), and Nature School. These classes occur during the school day, generally in the late morning.
